The students were all sent home with envelopes for the American Heart Association Jump Rope for Heart event. We are conducting the jumping during our PE classes this week and next. All envelopes and money are due back to the school **BEFORE** Friday, February 16, 2018. Please remind your child to be safe when asking for donations. They should only be approaching people known to them (or you) such as family members, family friends, or known neighbors.

If you are visiting the AD Johnston High School for elementary basketball games on Saturdays, you may have noticed that the Booster Club has opened the Concession Stand. This is a privilege that we have never had available before but would like to keep having. Please make sure to pick up any garbage that you may have before leaving the school. There are trash cans in several places in the gym. If there is a spill, please get some toweling from the bathroom or the concession stand to clean it up or at least make one of the coaches aware of it. There is no custodian on duty during the weekends, so any trash or spills would get left until the next school day. We are also asking any parent who is available after the last game on Saturdays to help with pushing bleachers back in and making sure all trash is picked up. If we all work together, it will set a great example of teamwork and responsibility for our kids. We thank you for your cooperation and any help that you can offer.
