Spring pictures at Washington School will take place next Thursday, February 9th starting at 8:30 am. If you are having a sibling photograph taken, please come to the school at 8:30 as spring pictures always go much quicker than fall pictures. Only students who are ordering will be photographed. Information was sent home this week.

On Monday, February 13th and Tuesday, February 14th during lunch time/recess, the Washington School PTO will be selling something special for students to purchase for the loved ones in their lives as a Valentine's Day gift. The cost is \$1 for each item and will come with a small paper card or valentine from your child. There is no limit to the number of items they can purchase although there will only be 150 of the items available for sale. They will all be the same thing but come in different colors. We apologize if this is a little vague, but we know that the kids like to surprise their loved ones and WE don't want to ruin that surprise.

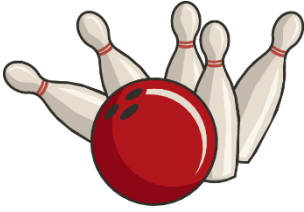

Don't forget about the "Snowman Contest" being held by Mrs. Hellman. It looks like there is some snow on the way. Just bring picture of your snowman to school and give it to Mrs. Hellman to be entered. The winner will be announced at "Wellness Night" in March.

"Jump Rope for Heart" is coming to our school again this year. This will be Washington Elementary School's 20th year for participation. We are proud to partner with American Heart Association in fighting heart disease and stroke. Students will jump rope the week of February 13, 2017 during their PE classes. During this program your kids will learn about their heart and how to develop healthy habits and have the opportunity to raise funds. We want our kids and our community to take action to prevent heart disease TODAY! Go online at: www.heart.org/jump to get started early. Envelopes will also be sent home with your child on February 10, 2017 for contributions if you do not have access to a computer.

The Parent/Teacher Conferences listed on the district calendar for February 15th are evening conferences for A.D. Johnston students ONLY and there is NOT an early dismissal that day.
