Host an Exchange Student!

Volunteer host families are needed to provide a loving home to exchange students from around the world for the 2014/2015 school year. These students are coming to the United States to attend local high schools for 5 to 10 months and to become part of an American family. Arrival date is approximately 1 week prior to the beginning of school.

Host Families provide the following to host a student:

- A bed for the student (students can share a room)
- Meals at home
- Loving, caring, environment for the student

Students come with the following:

- Ability to speak English at a high school level
- Complete Health Insurance
- Spending money for anything they need including hygiene items, school supplies, clothes, long distance phone calls, etc)
- Open mind about their American experience

Host Families may choose the country and interests that is the best fit for their family.

We have students from all over the world!

Your help is greatly appreciated, as we have several students to place with good host families! Exchange students can be a positive influence on your family, school, and community!

If you are interested and would like more information, please contact us as soon as possible so that we can give the exciting news to the student that their American dream is going to come true!
